

Thanks be to God who gives us the *victory* through our Lord Jesus Christ

The work is rapidly multiplying now as fruit is produced. The key feature of the work: In each place the joy of the Lord is so evident, along with great love and dedication to Jesus and to each other.

Freda Lindsay, co-founder of Christ for the Nations Institute died on March 25. She was days short of her 96th birthday. She and her husband Gordon started the school in 1970. Upon his death in 1973, she became president. There are now more than 32,000 graduates, including Colorado prayer leader Dutch Sheets, the late Nigerian pastor Benson Idahosa, contemporary Christian singer Russ Taff and Kevin Jonas, Sr., father of the Jonas brothers.

The ministry has planted more than 12,000 churches worldwide and established 48 associate Bible schools in 33 nations. We were privileged to know her personally when we founded the school in Belarus and Poland. We will never forget her enthusiasm in finding a building in Minsk, and in her mid-80's climbing up the scaffolding to check the construction and suitability. She was a beloved mentor and friend-Mom to many. To read more of her life go to www.fredalindsay.com.

Need for Prayer: Polish tragedy of loss of president and senior leaders in airplane crash. There is great mourning, but we see solidarity. Note from Bible school director and pastor, Krzystof Majdylo:

"Everything is changing in Poland now. There were the times of war. Now it is beginning of time of peace and reconciliation. We can see that in the nation and among Poland and Russia as well. It is chance for Poland for God's visitation.

Not many people know that our prime minister Donald Tusk and head of our parliament who become now the head of our state - Bronislav Komorowski both are very godly and close to God.

Very soon there will be the new presidential election in Poland. It is another chance for our country.

The church in Poland started 40 days long time of prayer and fast. Next days will be crucial for our future. We can be witnesses of God's miracle here in the center of Europe. Please pray for us."

Current ministry of Eilers through Ram's Horn:

We are continually in contact with all of the ministries mentioned in the newsletter. It has seemed important to them and to us to continue to teach and speak into their lives. Hence, we travel twice a year to Poland and to meet with the Belarussians — now we can only go to Ukraine.

Coming up: Belarussian Conference, May 27-30 in Lutsk, Ukraine. Ministry in Krakow, May 30-June 1. CFN Poland graduation and CFN Association board meeting, June 3-7. Return home June 8.

We are taking a team of eight. We covet your prayers! We are also still in need of finances for this trip. We need another \$3,000.

Possible trip to Turkey in the fall when we go to Poland for the 10th anniversary of the founding of the school.

Jail Ministry: We minister twice a week in the Todd County Jail in Long Prairie, MN for 4 hours. It is thrilling, challenging, and inspiring to see inmates come to know more of what it means to live in the Kingdom of God. We have seen the great need for follow-up on the outside beyond what we are able to do. We are working with others to develop a mentorship program and other follow up help.
